NOTE: The screen will tell you the number of missed calls.

HUNT GROUPS

When you are a member of a group (Hunt group or iACD), your account phone is programmed to ring when a choice is made from an automated attendant or when the hunt group number is dialed. You may be required to log in to the hunt group to receive calls. You can log in to a group from any device that your account phone number is active on, or from CommPortal. See the CommPortal User Guide.

If you are a member of more than one group, you will need to know the group number in order to log in and out of the individual groups. If you do not know your group numbers, you can obtain this information from the System Administrator.

- + To log in: Dial *44, enter the group number and press #. If you are a member of multiple Hunt Groups you will need to log in to each group individually.
- + To log out: Dial *44. If you are a logged in to multiple Hunt Groups, the system announces how many groups you are logged into and will prompt you to press 0# to log out of all hunt groups, or to enter the hunt group number followed by # to log out of an individual hunt group.

RINGS + INDICATORS

Your telephone rings differently for different types of calls

EXTERNAL: Two Short rings repeated (a new external call or a transferred external call)

INTERNAL: Single ring repeated

ADJUST RING VOLUME: You can adjust the volume while phone is ringing or idle

- + Press PLUS/MINUS VOLUME CONTROL Keys to adjust the volume when your phone is idle

YOUR VOICEMAIL

VOICEMAIL: The voicemail system is voice prompted with easy to follow instructions and commands.

FIRST TIME VOICEMAIL SET UP

TO SETUP VOICEMAIL FOR THE FIRST TIME: Dial *99 and select DIAL Softkey.

NOTE: Follow the audio instructions to create a password, record your name + record your personal greeting.

There are multiple greeting types available for you to choose from:

- + **PERSONAL GREETING:** Plays to everyone that calls you.
- + **EXTENDED ABSENCE:** Plays when you will be away from your office or phone for meetings/vacation, etc. You can turn off message acceptance when using the extended absence greeting. The system will remind you extended absence greeting is playing.
- + **SYSTEM GENERATED:** A synthesized greeting that's set up to include your phone number or recorded name.
- + **BUSY:** Plays when you have active calls on all available lines.
- + **OUT OF HOURS:** Can be set to play outside of your normal business hours, weekends and holidays.
- + **FORWARDED TO VM:** Plays when you have your phone set to forward to voicemail.

NOTES: Through the Self Service CommPortal, you are able to:

- + Record and change greetings
- + Choose your voicemail to email options
- + Change your login for voicemail so you're not required to enter your mailbox and pin each time you dial *99
- + Change other voicemail and telephone settings

LOG IN TO VOICEMAIL

From any internal extension:

- + Dial *99 and select Dial (>)
- + Enter your 10-digit telephone number and press the # Key
- + Enter your pin and press the # Key

NOTE: Through CommPortal, you can change your settings so dialing *99 automatically logs you in at your own extension.

From any external telephone:

- + Dial: 315-671-0031
- + Enter your 10 digit telephone number and press the # key
- + Enter your pin and press the # key
